

P24668.A11

**REMARKS**

The present Office Action essentially alleges that the Amendment filed on October 5, 2005 is not fully responsive to the prior Office Action because it fails to state with specificity where support for new claims 34-41 can be found in the application as filed.

Applicants respectfully submit that support for new claims 34-41 can be found, for example, in the following passages of the application as filed: paragraphs [0017] and [0021] and claims 1, 2, 5, 9 and 11.

Since the requirements of 37 C.F.R. § 1.121 and 37 C.F.R. §1.41.37(c)(1)(v) are fully satisfied it is assumed that examination of the present application can be resumed. Should this still not be considered to be the case, the Examiner is respectfully invited to contact the undersigned at the telephone number below.

Respectfully submitted,  
Roman RADON
